

Donald Ross Experience

AmateurGolf.com invites you to one of our favorite resorts. Play both Mid Pines and Pine Needles, while breaking things up with a round at the Southern Pines Golf Club, also owned by the same resort. In addition to the golf, you'll get unlimited use of the world-class practice and short game facilities, as well as two one-hour clinics from Mr. Short Game, and a complimentary wedge from Edel Golf so you can put your skills to work.
