Pete,

Congratulations on recently hosting the 20th anniversary of the AmateurGolf.com Two Man Links Championship at Bandon Dunes Golf Resort.

I appreciate your dedication to providing an exceptional Dream Golf experience at Bandon Dunes, Sand Valley, and Cabot.

We have enjoyed our long standing partnership and look forward to continuing our relationship for many years to come.

Best,

Mike Keiser

ARCADIA BLUFFS

INAUGURAL TWO MAN LINKS CHAMPIONSHIP at ARCADIA BLUFFS

The newest addition to the Two Man Links Championship series is Michigan's Arcadia Bluffs Resort. During a 2022 "scouting trip" we encountered two distinctly different courses and top-drawer lodging, food, and hospitality. The first of the resort's two courses -- The Bluffs, which we play twice -- winds in a links-style from the hilltop clubhouse to the shores of Lake Michigan, with strips of green fairways framed by golden fescue. You'll think you're in Ireland. The second course -- The South which we play once -- is a tribute to a bygone era in golf course design that few golfers today have ever experienced. It's such a unique experience that many of Michigan's golf experts advised us to make sure to play it, and once we set foot on the expansive piece of property, we could see why. Check out the video below to get a feel for everything Arcadia Bluffs has to offer, and lock your spot in before this tournament fills up.

"I enjoy meeting golfers from all parts of the country, competing in events and working my way towards achieving my goal of playing 1,000 different golf courses. The AmateurGolf.com events help me accomplish all of these desires. Pete and Brandie did an outstanding job of creating a professional and cordial environment at the Bandon Dunes and Sand Valley Four-Ball events this year. I look forward to participating in more events hosted by AmateurGolf.com."

"Amateurgolf.com's Father-Son Tournament at Bandon Dunes is the absolute best of both worlds: 4 rounds at a world-class golf resort and I get to compete on a team with my dad! I'll never forget this great event. Thank you!"

- Fr Conlin, pictured left, first time participant, Bandon Dunes 2022

"I can't tell you how great the event was, organized, super responsive to questions, concerns, etc., location was fantastic, to do an event with my father that was this great has now started an annual father-son tradition in my family, just wished it had happened years earlier. I would say that it's difficult to help someone understand that the effort you will take to get to Bandon with the combined experience of the way you all ran the tournament is hard to put into words.. We had a fantastic experience and will do it again!"
